ANNOUNCEMENTS

Tribal Offices Closed

Monday, September 7, 2026

in observance of Labor Day.

It’s hard to believe, but it’s already that time of year again!

With school starting back up, we want to remind everyone to slow down, stay alert, and keep an eye out for our kids. Please pay attention to school zones, watch your speeds, and be prepared for increased traffic, school buses making frequent stops, and kids walking or biking to and from school.

Mornings can be busy and we all have somewhere to be, but those few extra seconds can make all the difference. Our kids, bus drivers, teachers, school staff, and families deserve to get where they’re going safely.

Please remember, when those red lights are flashing and the stop arm is out, STOP, you cannot pass or go around the bus.

Slow down. Put the phone down. Watch for the busses flashing lights. Let’s start the school year off safe!

Gide'inaan Ojibwe Language & Culture Division Opening Feast

By J. Cadotte
August 27, 2026

The newly formed Ojibwe Language and Culture Division of Lac Courte Oreilles, recently named Gide'inaan, or "Our Heart," has developed a plan to provide community members with greater access to ceremonial and spiritual support.

An opening feast was held Aug. 24, 2026, at the Sevenwinds Casino Conference Center, drawing approximately 150 to 200 visitors from across Turtle Island who came to learn more about the program.

The division is working to strengthen access to Ojibwe language, cultural teachings and ceremonial support while creating new opportunities for community members to learn from Elders and cultural knowledge keepers.
