Dear Student:

Keep this letter for your records

Enclosed you will find the Lac Courte Oreilles (LCO) Indian Scholarship Application for the 2016-2017 Academic School Year. Please complete only **Part I** of application, (leave nothing blank) and be sure to sign and date your application. Then send application along with other requested documents back to us (see "Checklist" attached). Applications not signed and/or dated will be returned to the applicant; therefore, slowing down the determination process.

Submitting a completed application only *begins the determination process* and does not guarantee automatic approval of scholarship funding assistance. Applications are processed on a first-come, first-served basis; ranked according to date file completed; and awarded based upon financial need and funding availability.

Students must also complete the *Free Application for Federal Student Aid* (FAFSA) (www.fafsa.ed.gov) with the United States Department of Education. You and (if you are a dependent child) your parents, should apply for a Personal Identification Number (PIN) before beginning the FAFSA application at www.pin.ed.gov.

Scholarships are awarded for the Fall/Winter/Spring semesters of an academic year, which is from August 1 through July 31.

**NOTE: Consideration is given to SENIORS in need of the summer term to graduate in August or the following December.*

Applicant must be an enrolled Tribal Member; have a High School Diploma, HSED, or GED; be accepted for enrollment at an accredited institution of higher learning, and have financial need.

Please let us know if you have any questions, by phone (715) 634-8934 ext. 7463/7447, toll-free (800) 633-6093 or by email at bwhite@lco-nsn.gov or aquaderer@lco-nsn.gov .
