PROOF OF SEARCH FOR PERMANENT HOUSING

- To maintain Homeless Assistance, you must provide proof of weekly search for permanent housing while you are receiving assistance.
- You must contact three (3) private landlords/agencies each week at a minimum.
- You must keep a list of each person you talked with by filling in the information below.
- If you're already on the waiting list at a local housing authority, you must call them weekly and request your current status. Being on a waiting list does not preclude you from performing the three (3) required weekly searches.
- Each contact on the list will be verified.
