Veterans benefits fair connects service members with resources

By J. Cadotte
Oct. 26, 2026

On Oct. 22, 2026, Veterans and their families gathered at the Sevenwinds Convention Center for a benefits fair featuring 40 supporting veterans' organizations and information about health care, housing, education, burial planning and other needs.

The event brought government agencies, veterans' organizations and community service providers together in one place, giving service members an opportunity to ask questions and connect directly with people who assist veterans throughout the region.
