Chapter PRP.10

Leasing Code of the Lac Courte Oreilles Band of Lake Superior Chippewa Indians

This Code is enacted pursuant to the inherent sovereign authority of the Lac Courte Oreilles Band of Lake Superior Chippewa Indians to provide a system for the Tribe to offer long term leasing options on trust land for the members of the Tribe and other individuals and entities that no longer requires the Secretary of Interior approval and restores inherent tribal sovereignty, which predates its Treaties of 1825, 1826, 1837, 1842, 1847, and 1854 with the United States Government. In the implementation of this inherent sovereign authority, the Amended Constitution and Bylaws of the Lac Courte Oreilles Band of Lake Superior Chippewa Indians, empowers the Tribal Governing Board to "promulgate and enforce ordinances. . . providing for the maintenance of law and order and the administration of justice..." (Article V, §§1(s)); to "manage, lease, permit or otherwise deal with tribal lands, interests in lands or other assets, and to purchase lands, or interests in lands, within or without the reservation" (Article V, § 1 (f)); and to "delegate to subordinate boards, officers, committees or cooperative associations which are open to all members of the Tribe any of the foregoing powers, reserving the right to review any action taken by virtue of such delegated powers" (Article V, § 1 (m)). Pursuant to this inherent sovereign authority, the Tribal Governing Board hereby enacts this Code which shall establish the purposes, powers and duties of the Land Management Division and the system for leasing tribal trust lands. In any suit, action or proceeding involving the validity or enforcement of or relating to any of its leases, the Land Management Division shall be conclusively deemed to have become established and authorized to transact business and exercise its powers upon proof of the adoption of this Code. A copy of this Code duly certified by the Secretary/Treasurer of the Tribal Governing Board shall be admissible in evidence in any suit, action, or proceeding.

The National Environmental Policy Act, as amended, 42 U.S.C. 4321-4347 (NEPA), and Lac Courte Oreilles Band of Lake Superior Chippewa Indians Leasing Ordinance (Federal Register, Vol.88, No. FR 2113) requires considerations of the environmental impacts of proposed actions before deciding whether and how to proceed. 42 U.S.C. 4321, 4332. NEPA and Chapter 10 of the LCO Leasing Code ensures consideration of all environmental effects of proposed actions in the decision-making processes, informs and involves the public in that process. 42 U.S.C. 4331.

Under NEPA as amended, a federal agency can establish Categorical Exclusions (CE), which are categories of actions that normally do not have a significant effect on the human environment, individually or in the aggregate, and therefore do not require preparation of an environmental assessment (EA) or an environmental impact statement (EIS)—in their agency NEPA procedures. 42 U.S.C. 4336e (1). If an agency determines that a CE covers a proposed action, it then evaluates the proposed action for extraordinary circumstances in which a normally excluded action may have a significant effect. If no extraordinary circumstances are present, the agency may apply the CE to the proposed action without preparing an EA or EIS. 42 U.S.C. 4336(a)(2).
